Due to the ongoing Covid-19 Pandemic, the North Dundas Parade of Lights will take on a new format this year as a stationary parade.

We're dubbing it the North Dundas 'Display' of Lights.

The planning committee is solely responsible for the safety of all participants and spectators during the ongoing Covid-19 pandemic. For this reason, we will have extra safety measures in place, in keeping with guidelines and regulations set forth by the Province of Ontario and the Eastern Ontario Health Unit.

It is our goal to make this event as fun as possible for everyone involved. With this in mind, we thank everyone in advance for complying with the rules and guidelines, and for your continued support and involvement.
